Will do. I'm just about to post it for 11:30-12 noon EST on Monday. Your team is telling me that you're meeting with Janet McCabe at noon so we'll only have 30 minutes. I'll make sure to add Kate and Ayn on the invite.

Thanks! Safe travels.

Ann - I expect both Kate and Ayn would join us from home.

Jim - question for you since it seems you only have early morning hours available. Do you need me to invite R8 staff to this meeting or do you plan to fly solo for this one? Thx!

Don - am in DC on Monday and there are a few spots still open on my schedule. On Tuesday, I will be the budget meeting all day.

(b)(6) privacy Deb Lucas should be able to help on scheduling. I will be in transit to MT and then in meetings and on the road. Sporadic cell coverage, I recall.

Thanks

Jim

I'd like to get an update on the ongoing USGS and EPA sampling in Pavillion, including the timetable for releasing results, the issues we will need to address and steps we need to take to prepare.

Don -- can you get a meeting on the calendar for Monday or Tuesday of next week?

Thanks.
